Choosing a middle school for your child is an important decision. This evening has been designed to simplify the middle school choice process and to provide access for all parents to learn about different magnet middle school programs available to all LAUSD students for 2015-2016. Please be on time! We will begin at 6:00 with an introduction that will provide important information. Parents and students will then be able to attend four different 20-minute sessions to learn about individual school programs. We encourage 5th grade students and their parents to attend this informative event. Do not miss out!

Choices applications will be available online at eChoices.lausd.net beginning October 1, 2014.

The deadline to apply is November 14, 2014.

For more information please contact Student Integration Services at 213-241-6532
